type

We have this rare opportunity to offer you the chance to purchase this 3 bedroom 2 bathroom bungalow in El Raso.

This property is in need of updating outside and some TLC inside, but the end result would be a beautiful villa

Upon entering the large garden (big enough for off road parking and private pool) which is a corner plot and next to the community swimming pool, you have a lovely terrace that leads you into the open plan lounge and kitchen diner and utility room.

There is the main bedroom to the right with an en-suite shower room and access to the very large roof solarium
